

# TEXTILE & FABRIC NEWSLETTER

## JAMES THOMPSON & CO., INC

FALL 2012

### APOLOGY!

Our Summer Newsletter featured a photo of one of our customer's stores featuring Bengal Burlap. We left out the name! Thank you, The Textile Store in Westport CT and owner Marty Yanell for promoting our fabric! Also, thanks to Bill Yaffa, our Burlap guru, for taking the photo.

### Get Well Anna!

Our retired salesperson Anna Parault and her husband were in an auto accident in France this summer. Anna is back on her feet, doing well, and that is a relief! We wish her and Jack a full healthy recovery.

### Closeout Fabrics

Thanks to all of our customers who responded to our closeout offerings this summer. You cleaned us out! However, there is still some 45" Flannel left in Navy, Pine and Sage if interested.

### Quilt Market

Once again Thompson will be there in Houston at Booth # 1766. Stop by to say hello to Sara and Marc. The Show dates are October 27 thru the 29th.

### Ticking Up-Date

For you of you customers waiting for your orders for 32" ACA Pillow Ticking-good news. Goods are arriving at our Mill in Mid-October. After we process/finish, this will be ready to ship. Sorry for the delay-hard to find narrow-width weavers!

## New BURLAP IDEAS Book From Leisure Arts!

We are really excited about this new book from Leisure Arts, featuring our Burlap, Duck Canvas and Ticking Stripe fabrics! Leisure Arts is the #1 Publishing company in the Creative Arts field. No doubt you have used or sold their extensive line of "How To" books.

Designed by the O'Neil Sisters, the books' 12 projects show how you can sew Burlap into table runners and curtains; dress it up with lace appliques for a garden wedding; shape it into roses for a rustic wreath; personalize it with stamps and stencils for sophisticated accents that are one-of-a-kind, such as a message board or vanity stool. Some projects pair Burlap with our Canvas and Ticking. 9 of the 12 projects require no sewing, so you don't need to be an expert sewer to do these ideas.

Now is the time to pair this book with our fabric-Burlap has never been "hotter"! This is Leisure Arts #5954.

Quick & easy ideas to add natural flair to your life!
